Description

In one word: superb!
Unique in Europe!
Foliage of small green size of white, of rose. Some leaves are pink of other cream-colored white, absolutely splendid cultivar but difficult has multiply. Loses his leaves at the end of summer. Extremely rare variety in culture for aware collector.
Indeed this variety only possesses little chlorophyll and require that one keeps for a good vigor a part of his door transplants in leaf green. Our expert's advice will allow you to succeed his culture. The delivered plant will be of small size + - 15/20 cm of height non branched out for 1.5 liter pot annd 20/40 cm for 3 liter pots. Be careful trees potted in spring 2022 don't touch the root ball before spring 2023.
