Description

Height : about 40/50 cm.

Width : about 60/70 cm.

Dimensions of the leaves : about 24 x 8 cm.

Small hosta with particular leaves : they are green in the middle, creamy white colored on the sides which turn to creamy white color as the season goes on. The charm of Hosta 'Wheee!' is the shape of the leaves that are strongly twisted on themselves and the very corrugated sides.

Lavender color flowers in summer.

Big rhizome delivered in a 1 liter plastic pot.
