

Pinus pentaphylla 06030196

Pinus pentaphylla

ref. 11008 

[\[+\] Show on the website](#)

Description

Height : 940 mm * 860 mm. Artisanal quality rectangular non-enamelled pot, from Yixing and of beige/sand color : 480*400*140 mm. Multi-trunks kabudachi style (8 trunks and a jin on the base). This bonsai is more than 50 years old and has a formed bark. It comes from yamadori and it is well ramified with a good conicity of the trunk. No strong wire marks or cutting wounds. Diameter of the trunk : Ø +- 120-170 mm. Nebari : +- 200 mm. Quality piece for collector. Origin : Master Murakawa's nursery. Exceptional piece, rare in cultivation, with very short and thin needles, very graceful. This bonsai was completely reformed, cut and ligatured by Master Tomoya Nishikawa in February 2020.

Photographed in June 2021.
