

Hosta forbidden fruit

Hosta forbidden fruit

ref. 11059

13,00€

[\[+\] Show on the website](#)

Description

Coming from a hybridization of Hosta Orange marmalade.

Height : about 55/65 cm.

Width : about 70/90 cm.

Dimensions of the leaves : 21 x 15 cm.

The middle of the leaves is clear yellow and the sides are blue/green. A bit later in the season, in the middle of summer, the center of the leaf turns to yellow/white.

Purple/white flowers in little grapes in summer.

Big rhizome delivered in a 1 liter plastic pot.
