Description

Height of the tree : 550 mm. Width : 750 mm.

Special selection by Guy Maillot for the beauty of its short needles.

Quality non-enamelled fired pot from Yixing, China.

Dimensions of the pot : 410*310*120 mm. Moyogi style with a sinuous trunk.
This subject is more than 40/50 years old.

It comes from seedlings with its formed trays and the beautiful bark.

Diameter of the trunk : about 80/90 mm. Nebari : about 170-180 mm.

Absolutely requires a full sun exposure. Very good conicity of the trunk, no very strong cutting wounds, however some wounds are still healing.

No wire marks. Beautiful roots base. It comes from Master Nishikawa's nursery who completely reformed it by cutting and ligaturing it during 2019 autumn.

For collector. Shelf not included. Photographed in January 2022.
