Description

Curved soft green foliage in spring, dark green in summer, and fire red in autumn. One of the most beautiful and lasting autumn coloration. Extremely adorable on the foliage beauty scale with its little round shape and the tiny palmed leaves, clear green with a touch of pink. It grows slowly and perfectly fits in a container or a special place, close at hand, and prominently positioned in the garden.

Technical description

<i>Species</i>	Acer circinatum
<i>Variety</i>	Rainy day
<i>Leaf colour</i>	Green leaves
<i>Leaf shape</i>	Palmated
<i>Adult height</i>	Less than 2 meters
<i>Shape</i>	Compact
<i>Exposure</i>	Sun
