Description

Tree height: 650 mm. Width: 620 mm.

Seedling selection by Guy Maillot for the beauty of its short needles.

Non-enameled pottery signed by Yixing, China, in brick color, measuring: 405*300*110 mm.

Moyogi style with sinuous trunk.

A subject over 40 years old, grown from seed with well-formed branches and a beautiful bark. Trunk diameter approximately: 80-90 mm. Nebari: 170-180 mm. Requires full sun.

Excellent trunk conicity, no significant pruning wounds, although some are in the process of healing. No wire scars.

Beautiful root base. The top of the tree has been modified, and ligatures have been applied.

Presence of jins.

Comes from the nursery of Mr. Nishikawa, who completely pruned, ligatured, and reshaped it in the fall of 2021. Stand not included. Photographed in November 2023.
