

MAILLOT BONSAI

Acer buergerianum ref : 30080232

Erable de burger

ref. 12086

[\[+\] Show on the website](#)

Description

Height of the only tree: approximately 570 mm.
Width: 230 mm.

Unglazed pottery: 255*170*50 mm.

Sokan-style with two trunks. Repotted in pure akadama soil in April 2023.

Requires full sun with regular watering.

Green foliage from early spring to late summer turning reddish-orange in the fall. This bonsai is already over 15 years old with well-formed and branched trays and a beautiful bark. Display stand not included.

Photographed in autumn 2022.
