Description

Bonsai from Ishiguro Nurseries – Moyogi Style – Over 40 Years Old

This outstanding specimen comes from the renowned Ishiguro nurseries in Kawasaki. It is a Moyogi-style bonsai with a sinuous, well-tapered trunk and beautifully developed bark—a clear sign of its advanced age (over 40 years). Tree height (excluding pot): 670 mm Branch spread: approx. 550 mm Trunk diameter: approx. 60 mm Nebari (root base): exceptional, 210 mm Structure: well-formed and ramified branches, with no major pruning scars or wire marks Pot: high-quality glazed Tokoname pot, stamped, dimensions 460 x 320 x 70 mm Repotted: in this pot in March 2025 Photographed: in February 2025 Display stand not included A mature tree, ready for exhibition, with a balanced structure and impressive root base. A rare piece for the discerning collector.
