Description

Leaves: greenish, ribbed with green in spring, creamy colour ribbed with dark green in summer, with white new shoots edged with pink. Salmon pink or orange in autumn.

"In response to the growing demand in Europe for collectible varieties, this year I'm offering high-quality plants at more affordable prices. These young plants, ranging in height from 10 to 20 centimeters, are perfect for enhancing your collection from the very beginning of their development.

Please note: they must remain in their original pots until spring 2026."
