Description

Exquisite Moyogi Pine Bonsai – A True Collector's Gem

Tree height (without pot): 370 mm Branch spread: 480 mm Pot: Japanese handcrafted, 310 × 230 × 100 mm Style: Moyogi (sinuous trunk) Age: 45–50 years Trunk: Majestic, Ø 90 mm, perfect taper, nebari 120 mm Needles: Short, subtle blue-green Highlights: No grafting marks, pruning scars, or wire traces; delicately aged jins add character. Grown from seed under the guidance of the renowned Master Katoh Katsuhiro, this bonsai impresses with the elegance of its branch pads and flawless structure. Its balanced form, strong trunk, and graceful posture make it an outstanding addition to any bonsai collection. Photographed in March 2025.

Display stand not included. Last repotting: March 2023.
