

Dissectum beni shidare variegated

› Japanese maples › *Acer palmatum*

ref. 293

1.5 litres	45,00€
3 litres	55,00€
4 litres	65,00€

[+] [Show on the website](#)

Description

Lacinate leaves variegated brownish pink and green when the buds burst, dark green in summer with variegated new shoots and orange-yellow in autumn. One of the rare variegated dissectum. Very original supports full sun for a more beautiful coloring of its foliage. Rare in cultivation for collectors. Attention, rather slow growth, maples in 3 liter pots measure only about 15-25 cm.
