

Fujinami nishiki

Yama momiji fujinami nishiki

ref. 349

1.5 litres	55,00€
3 litres	85,00€
4 litres	105,00€

[\[+\] Show on the website](#)

Description

Leaves: crimson in spring, becoming variegated with shiny red. The colour gets bolder in May, June and July. The autumn colour is purplish red. A unique, very impressive colour. Variety as yet only very rarely grown. First introduced in Europe by Guy Maillot.

Small size delivered trees about 20/25 cm height.

Be careful trees potted in spring 2021 don't touch the root ball before spring 2022.
