Description

Outside measurements: 372*292*95 mm. This is a one-off edition, signed by the Czech potter Josef Valuch. We only have one of this design because each pot is handmade and unique. It's made from frost-resistant sandstone and fired to a high temperature for added strength. This superior quality square pot has feet to allow airflow underneath and numerous drainage holes. It's crafted according to traditional methods, resulting in a red-brown colourway and matt surface.
