Description

Height 120 cm. Weight 225 kilograms, delivered in 5 pieces to be easily assembled at home. Showing the stone carver's skills, this granite lantern is decorated with a deer, flowers, latticework, waves and lotus leaves. It's an ode to nature. The resplendent roof has an onion dome top and roof tips shaped like the curl of a fern. A lamp can be added to this model to illuminate the garden on balmy summer nights.
