

Hosta el nino

Giboshi el nino

ref. 6792

[\[+\] Show on the website](#)

Description

Big rhizome delivered in a 1.5 litre plastic container. Hosta 'El Niño' has ovate-shaped leaves that are cream-colour on the sides and aquamarine in the centre. The variegation is yellow in spring, turning to white at the beginning of summer. Lavender flowers at the beginning of July to mid-August.

Height: 35 cm x 90 cm wide.

Leaves 20 cm long and 10 cm wide.

Descended from hosta 'Halcyon', 2004.
