Hosta eskimo pie

ref. 7135

[\[+\] Show on the website](#)

Description

Hosta 'Eskimo Pie' has green-sided foliage with a white-cream coloured centre that becomes yellow-green in season. White flowers at the beginning of July.

Leaves 18 cm long x 15 cm wide.

Adult height: 55 cm x 65 cm wide.

Descended from a 'Northern Exposure' 2005 seedling.

Big rhizome delivered in a 1 liter plastic pot.
