Description

Height of the only tree 300 * 290 mm. Enameled pottery of Japanese quality: 290*215*55 mm. Style pure hokidachi, perfectly well branched out. Very beautiful topic with fine and gracious ramifications. Good conic shape of the trunk. Good basis of nebari.

Descended of the nurseries of Me Murakawa, selection on seedling for the beauty of his/her/its trunk. No strong wounds of sizes nor traces of son. For collection. Beautiful hues in fall. Sold without his/her/its shelf.
