Description

Height of the tree: 68 cm.

Length of the branches: 56 cm.

Non-enamelled brown pot: Ø 32*8 cm.

Ø of the trunk: 6/7 cm.

One of our masterpieces, this pinus pentaphylla or five needle pine is more than 40 years old grown from a seedling. The sokan style tree has beautiful bark, an established root base, a good conical shape trunk and no major wounds or traces of cut branches. It must be kept in full sun.
