Description

Height 60 cm. Width: +-70 cm, depth +-40 cm. Weight 250 kilograms. This solid granite Buddha statue will transform any outdoor space into a Zen meditation garden or peaceful sanctuary. He is seated in full lotus position and his right hand is extended towards the ground, referring to when the Buddha asked mother earth to witness his enlightenment. The face has a serene expression, framed by long earlobes, and robes hang over his left shoulder. The sculptor's tool marks are visible on the hand-carved piece (unlike sculptures made for the mass-market).
